Abstract **[English]**

ASEAN Centre for Active Ageing and Innovation (ACAI) is an intergovernmental organization of ASEAN member states. ACAI is expected to act as an ASEAN think tank to drive knowledge integration of population ageing and innovation, facilitate capacity building among ASEAN members, and advocate for evidence-informed policies. In 30th ASEAN Summit meeting 2017, ASEAN welcomed Thai's proposal to establish ACAI. After 3 years of effort, The Agreement of Establishment have been signed by all 10 ASEAN Member States on 20th May 2020. Now, ACAI is under the process to Legalize in Thailand (applying to be a legal person and gain the privileges & immunities form the Royal Thai Government, Host Country) and plan to fully operate by the next year, 2022.
